# Blue Line Egypt for Logistics Services & Trading S.A.E

Blue Line Egypt is a licensed maritime agency and integrated logistics provider serving all major Egyptian ports. Founded in 2015, the company has built a strong reputation for reliability, operational excellence, and strict compliance with international maritime standards.

As a trusted partner to global shipowners, operators, charterers, and NVOCC principals, we deliver a comprehensive suite of agency, logistics, and supply chain services designed to support vessel operations, cargo movements, and end to end logistics requirements across Egypt.

Our membership in leading maritime and logistics networks enhances our global reach and ensures that our clients benefit from seamless coordination, transparent communication, and consistent service quality.
